April 2022

Dear Parent/Carer,

## Year 11 Examination Series, Leaving Date and Leavers' Assembly

It is rapidly coming to the end of your child's time at Halewood Academy and I am writing to inform you of Year 11 End of Year arrangements. As you will be aware, an extensive support programme continues to be in place for all Year 11 students including subject revision materials, weekly revision sessions, booster sessions during holidays and an array of online resources. As students have been grateful and taken the opportunity of this support we have decided it would be beneficial for students to remain in school and their normal lessons for as long as possible. As you are aware, GCSE specifications are rigorous and we want to ensure each and every student has the maximum amount of contact time with teaching staff, especially in light of the lost learning time due to COVID 19.

Please see below this letter a full list of all examinations that will be taking place this summer. These dates have already been communicated via the school Newsletter.

Your child will also receive an individual timetable to reflect the examinations they will be sitting. Please ensure that both are referred to ensure that no examinations are missed.

Year 11 students will continue to attend school and lessons as normal up to and including Friday 10<sup>th</sup> June. From Monday 13<sup>th</sup> June an alternative timetable will be established which will support students with their remaining exams. Some examinations will have been completed in subjects and we will take the opportunity to support students in additional sessions or larger revision sessions for those subjects that still need to be completed. An alternative timetable will be established to ensure the most effective use of time and this will be communicated once complete. Students will be expected to attend their alternative timetable between Monday 13<sup>th</sup> June and Thursday 23<sup>rd</sup> June, their final exam for Science, Physics Paper 2. We will continue to provide revision sessions throughout the examination period and in addition to May half term revision, we will run a Saturday morning programme. Again, all these details will be communicated separately to you

For examinations that take place in the **morning**, students should arrive at the normal time of **8.40am** to **attend registration and they must be wearing full school uniform**.

Finally, a **Leavers' Assembly** will take place on **Thursday 23<sup>rd</sup> June** after their final exam. On this day, all pupils will need to attend in full school uniform, please ensure the usual standards of appearance are adhered to on this day. The assembly will start at 11.15am and will be a celebration of their last 5 years. The assembly should finish at approximately 12.00am and students will be required to leave the school premises after this time to ensure that school can continue to run as normal. It is also essential that year 11 continue to represent the school positively within the community when they leave the building after the assembly.

## We Seek the Best

Halewood Academy The Avenue, Halewood L26 1UU Ms T Rollings - Principal Tel: 0151 477 8830 Email: admin@halewoodacademy.co.uk Website: halewoodacademy.co.uk

Year 11 Prom is scheduled for Thursday 30<sup>th</sup> June and clear criteria for eligibility to attend has already been communicated. I would like to reinforce that poor conduct during the examination series and/or year 11leavers day and assembly will result with them being withdrawn from the invite list. Mrs Irons will be in contact shortly regarding invitations and payment methods and please be advised not to purchase expensive items until confirmation of attendance has been received.

If you require any further information regarding any of the above, please do not hesitate to contact Mrs Irons. The arrangements detailed in this letter will be shared with your child.

Finally, I would like to wish your child every success in their GCSE examinations and to thank you for your support over the past five years.

Yours sincerely

pre Thomson

Mrs J. Thomson Vice Principal
