

Appreciation Friday – 11th November 2022

Year 8

M. Cavanagh - Consistently receiving a high number of 1s each week and is often the top pupil of the year group!

Year 9

9NST - Starting every day in the line exactly as expected even before their form tutor is back from duty – well done and keep it up!

Year 10

10 Health & Social Care - An absolute pleasure to teach and all working really hard towards their PSA – a massive well done!

O. O'Mahoney - I am pleased to say that they have made a vast improvement recently. They have given 100% every lesson and is determined to do well and improve their grade. I am sure, with continued effort, they will achieve this.

Year 11

B. Ryan, E. Howe & M. Lamb – These pupils have taken part in extra Science revision to help improve their Chemistry. All were engaged, enthusiastic and hard-working throughout.

Prefect Team - I would like to commend the prefect team in how they have distributed poppies to the entire school to mark Remembrance Day 2022 and help support fund raising for the Royal British Legion. You have clearly demonstrated the RACER core values, particularly that of respect and collaboration. Well done to you all.

K. Roe - They are a credit to 11STA. They have excellent attendance and punctuality and their uniform is always of the highest standard. They give 100% to everything they do and is an excellent role model as a future leader.
