Mr I Critchley MA, PGCE, NPQH

Executive Principal

11th May 2026

Dear Parents/Carers

We received a call from Ofsted this morning to notify us that they will be undertaking an inspection of our school this week. The inspection will take place Tuesday 12th May - Wednesday 13th May.

This is an opportunity to showcase and celebrate all of the hard work and achievements since our last inspection in March 2022. I have no doubt that staff, students and you as parents/carers will evidence to the Ofsted team, all of the good work that happens here on a daily basis.

Please find attached a letter to parents/carers from OFSTED, requesting your views to assist them with their inspection. I know that you will take this opportunity to share your views and messages, which I am always grateful to receive on a regular basis from you all.

I am speaking to all pupils this afternoon so they are aware of what the inspection will involve and I look forward to seeing everybody here as usual, on time and representing the school in their full school uniform and with all of the equipment needed for this week.

Yours faithfully

Mr I Critchley
Executive Principal
