

# TRANSFER FROM **PRIMARY** TO **SECONDARY** SCHOOL

**September 2027**

**A GUIDE FOR PARENTS**

Apply online: **[www.knowsley.gov.uk](http://www.knowsley.gov.uk)**

## Introduction

This application guide is aimed at parents/carers of children who will be transferring to year 7 of secondary school in September 2027 and provides key facts about the application and allocation process.

Further information is available via the school admission pages on the Knowsley Council [website](#) and the 'Knowsley Composite Admissions Prospectus 2027-28' will be published on the site from 12 September 2026.

## Applying for a school and how places are allocated

Before making your application, it is important to know how places will be allocated if a school is oversubscribed (receives more applications than the number of places).

Every school publishes an admission policy which includes the number of places available, and the criteria used to decide which applicants have priority for those places. You can also find out whether schools were oversubscribed, and how places were allocated in previous years. All this information will help you to understand how likely it is that your child will be offered a place or not.

If a school receives fewer applications than the number of places available, all children will be offered a place. The oversubscription criteria will only be used if there are more applications than places available.

Secondary school transfer is a national admission process that is coordinated between local authorities and aims to ensure that only one school offer is made to every child; information from your application can be shared with schools and other local authorities during this process. As this is an equal preference process, schools are not aware of your preference order when they are considering your application.

If your child can be offered a place at more than one school of your preference, the local authority will use your order of preferences to determine which school offer is made – this will always be the highest available preference.

If an offer cannot be made at any of the schools you have named as a preference, a place will be allocated at the nearest Knowsley school that has a place available, but please be aware that this may not be in the immediate locality of where you live.

## Naming school preferences

Knowsley residents can name up to three school preferences on the secondary school application and preferences can be for Knowsley schools and/or schools in other local authority areas.

Naming only one preference **does not** increase your chance of gaining a place in that school. If you do not obtain a place at that school, you could lose priority for another school where you might otherwise have been offered a place.

Naming more than one preference will not disadvantage you in any way during the allocation process as you will always be made an offer of the highest preference school available.

Please **do not** name independent (fee paying) schools on your local authority application form – you must apply directly to these school/s.

Please be aware that several Knowsley secondary schools are regularly oversubscribed, and will have to refuse some applicants. You are strongly advised to use all your preferences, and name local schools and those for which your child has a high priority for securing a place.

## Applying for schools

Applications for Knowsley resident children must be made to Knowsley Local Authority using the school admissions online parent portal that can be accessed at [www.knowsley.gov.uk](http://www.knowsley.gov.uk)

Before you can make an application, you will need to create an account on the portal by entering a valid email address and creating a secure password.

Even if applicants are naming schools in other local authority areas, the Knowsley application must be completed.

A confirmation email will be sent once the application has been submitted to the Local Authority.

Applications must be submitted by the national closing date of **31 October 2026**.

If you are unable to use the online application portal, a paper application can be requested by emailing [schooladmissions@knowsley.gov.uk](mailto:schooladmissions@knowsley.gov.uk)

For children who attend a Knowsley primary school but do not live in Knowsley, the application must be submitted to the local authority in which they live – please visit the school admissions information on the website of the local authority in which you live for more details. You must apply through your home authority but can name schools in Knowsley on that application.

## Supplementary information forms

Some schools will have a supplementary information form that they use to gather specific information about the child in order to apply their oversubscription criteria – for example faith information. Where this is the case, applicants must complete the school form as well as the local authority's online preference application. Supplementary information forms should be returned directly to the individual school by the national application closing date (**31 October 2026**).

Supplementary information forms for Knowsley faith schools can be obtained from individual schools or by visiting the school admissions area of the Knowsley Council website. For schools in other authority areas, applicants should contact the individual school or the relevant Local Authority admissions team for further advice about obtaining a supplementary information form.

Parents/carers who do not complete a supplementary information form but name the school as a preference on the Local Authority common application form, will still be considered for a place in the school, but not under the specific criteria for which the supplementary form gathers information. However, if you complete an individual school supplementary information form, but do not also name that school as a preference on the Local Authority common application form, your child would not normally be considered for a place – only school preferences named on the local authority common application form will be considered.

## National offer day

All local authorities will confirm what school has been offered to children who have applied on national offer day, **1 March 2027**.

## The waiting list and appeals procedure

Where applicants are refused a place at a school of a higher preference than the one offered, they will be informed of the waiting list process, their right to appeal and how an appeal can be made.

## Children with special educational needs

If your child has special educational needs or a disability but does not have an Education Health and Care Plan (EHCP), you should complete the preference form issued by your home local authority. The usual admission policy for the school will apply. If you are not allocated a place for your child in your preferred school you can appeal to an independent appeal panel.

## Children with an Education Health and Care Plan (EHCP)

If your child has an Education Health and Care Plan (EHCP) and is in a mainstream primary school, you will discuss the secondary school your child will transfer to at your child's annual Review in the autumn term. A decision about which secondary school your child will attend will be made following the annual Review. If you disagree with the secondary school named for your child, you can appeal to the Special Educational Needs and Disability Tribunal.

Preferences for mainstream secondary schools can be named on the local authority application form.

For more advice you can contact the Special Education Needs and Disability Team at [SENDadmin@knowsley.gov.uk](mailto:SENDadmin@knowsley.gov.uk)

You can find out more about school admissions by:

- Visiting the school admission pages at [www.knowsley.gov.uk](http://www.knowsley.gov.uk)
- Attending school open events. (Details for Knowsley school open events can be found in this guide)
- Accessing the websites of schools and other local authorities
- The Department for Education website [gov.uk/contact-dfe](http://gov.uk/contact-dfe)

If you have any questions about the process or your application, please contact the School Admissions Service in the local authority by emailing [knowsleyschooladmissions@knowsley.gov.uk](mailto:knowsleyschooladmissions@knowsley.gov.uk)

## Timetable for admissions procedure

| December 2027<br>(End of Autumn Term) | Formal Year 7 waiting list closes                                                                  |

## Secondary school admissions common myths

**I apply at the end of Year 6 for a secondary school place.**

**NOT TRUE**

You apply at the beginning of Year 6. The Local Authority common application must be submitted by 31 October each year either online or by paper application form upon request.

**My child will automatically go to the local secondary school.**

**NOT TRUE**

There is no automatic transfer from primary to secondary – you **MUST** complete a local authority common application either online or by paper application form upon request.

**Because I've let the school know I want my child to go there, I don't have to fill in any forms.**

**NOT TRUE**

You still need to complete your home local authority's common application. Some schools do have a supplementary information form – if they do, you will need to complete this **AND** your home authority's common application.

**I have a child in the school I want, so my child will automatically get a place.**

**NOT TRUE**

Some schools do give priority to those with older brothers/sisters in the school, but there is **NO GUARANTEE**. You need to check the school's criteria and still must complete the application procedure in full.

**If no application is received, parents have to be given a place at the nearest school to home.**

**NOT TRUE**

If you don't apply, other people who have applied will more than likely have taken the places. Also it depends on the school's admissions policy and volume of applicants.

**I want to put down a school in another authority, so I complete their authority form.**

**NOT TRUE**

**NO** – you put all your preferences on your home local authority common application, no matter which local authority the school(s) you want to apply for reside in. So for Knowsley residents wishing to apply to Liverpool, Sefton, St Helens, Halton, Lancashire Schools, you complete the Knowsley application form.

**If I only name one school as a preference, I will have more chance of getting the school I want.**

**NOT TRUE**

By doing this, you will not increase your chances of a place in your chosen school, and you could be disadvantaging your chances of securing an offer of place at other schools you may meet a high criteria for. It is highly recommended that you utilise your three preferences.

**My child's primary school already know that my child is Baptised, as he/she attends a faith primary school. I therefore do not need to complete a supplementary information faith form.**

**NOT TRUE**

If you wish your child to be considered under the faith criteria of the school's admission policy, you must complete and submit to the school a supplementary information faith form. This can be obtained on the school admission pages of the Knowsley council website or directly from the school.

Parents applying for a church school, outside of the LA, should check the individual school's policy.

**If I am not offered one of my chosen preferences, the local authority will allocate a place in my local secondary school anyway, as I live close by.**

**NOT TRUE**

If the local authority cannot offer a place at any of the schools you have named as a preference, a place will be allocated at the nearest Knowsley school that has a place available, but please be aware that this may not be in the immediate locality of where you live.

**We find out my child has a place at the school a couple of days after applying.**

**NOT TRUE**

All initial offer emails (online applicants only) and letters are sent out by the local authority on 1st March - or the next working day for Year 7 places.

## Knowsley secondary school contact details and open evening dates and times

### School

### Date & time

#### All Saints Catholic High School

Roughwood Drive, Northwood, Kirkby, L33 8XF

Thursday 17 September 2026

6pm – 8pm
